Commissioner for Patents  
P.O. Box 1450

**SUPPLEMENTAL AMENDMENT AND REMARKS**

Sir:

This Supplemental Amendment and Remarks are being submitted per the Examiner's request in a telephonic conversation on July 30, 2008.

In our discussion of the response to non-final Office Action for the subject patent application filed June 11, 2008, Examiner Popa was unsure whether she had a complete copy of the 33-page response as filed, as well as the cited Board of Patent Appeals and Interferences decisions, In re Basu and In re Lettman.

Although PAIR reflects that the above are on record, submitted June 11, 2008, in order to facilitate the Examiner's review of Applicant's arguments and remarks, and any amendments made to the claims of the subject patent application, Applicant hereby re-submits the Amendment and Response to non-final Office Action as filed June 11, 2008, in the instant SUPPLEMENTAL Amendment and Remarks. The Amendment and Response filed herewith contains the above-noted Board of Patent Appeals and

Interferences decisions, which are appended to the end of the Response to make a single .pdf document for electronic filing purposes.

Respectfully submitted,

Date: July 30, 2008
